General Rules for Photography:

1. Finished product – mounted on foam board or poster board, matted to be no smaller than 5" x 7" and no larger than 11" x 14". If sizes are not adhered to exhibit, award may be lowered by one ribbon.
2. Photographs have to be mounted on foam board or sealed in clear plastic with appropriate hanger. Exhibits will be judged on presentation. Example: proper sealant, hanger and clean presentation. Note: Loose fighting plastic wrap appears tacky and causes loss of definition of photograph.
Exhibits may be lowered by one ribbon by judges due on presentation properties.

(Remember: if you are proud of your photo entry, you should present it proudly.)

3. **Photo Entries will NOT be framed or glassed.**
4. Photographs of questionable nature for family viewing may be excluded at the discretion of the Superintendent.
5. It is required that the Exhibitor shall have taken the picture. The photo may have been developed commercially. **The Exhibitors name must be placed on the backside of the Exhibit and must fit class description.**
6. LIMIT one entry per class per Exhibitor with a Maximum of 10 Exhibits.
Photographs must be the work of the exhibitor not entered in any prior years.

7. Professional is anyone who derives or has derived the major source of income from selling goods or services, or teaching a skill closely related to photography. Enter under Professional.
8. All above stated criteria is for all classed and exhibitors.

What the judges look for:

OVERALL APPEARANCE: Clean, photo securely attached to mat, mat color & style enhances the photo.

Technique: Focus, lighting, color balance, depth of field, angle, quality of developing & printing.

Composition: Photo captures the mood/spirit/life of the subject so viewer knows more about the subject after looking at the photo, balance of elements (subject the most prominent element of photo & background does not detract from subject)
